Occupational Therapy and Vocational Rehabilitation
for those suffering from brain injury

Wednesday 25 October 2017

Occupational Therapy and Vocational Rehabilitation for those suffering from brain injury

Irwin Mitchell and Krysalis Consultancy are pleased to be hosting an interactive workshop focused on occupational therapy and vocational rehabilitation.

Topics will include; transferring learning to the civilian environment, putting the client at the centre of the process, the impact of vocational rehabilitation and various client case studies.

- Date:** Wednesday 25 October 2017
- Time:** 12:00pm registration, networking and buffet lunch to 12:45pm, guest speakers covering a range of topics until 4:30pm
- Venue:** Irwin Mitchell, 40 Holborn Viaduct,
London EC1N 2PZ

To reserve your place at this event, please contact

Mark Howard at mark.howard@krysalisconsultancy.co.uk or call **01373 837 263**.
